Expires: Thursday, June 29, 2023 12:00 AM

Hi Nick,

I had included you as optional for the meeting as Rene thought you had some background on this issue.

I agree, 4 LD staff may be excessive. How about we follow up with you if there are remaining issues after we meet?

The agenda today includes a discussion of Rough Acres Ranch Road as it applies to the Soitec project.

Thanks,

Ashley

Ed,

I can attend if needed, but I was concerned about 4 PDS LD staff attending the same meeting.

Let's see if we can find Ashley before the 11am meeting so she can clarify the agenda.

Thanks

Nick,

I don't know whether we will talk about something other than the road. Ashley wasn't in her office so I'm not exactly sure what else we will talk about.
